

THE ALL NEW XPLORE RANGE IS DESIGNED TO TAKE YOU PLACES OTHER SIT ON TOPS CAN'T.

Developed in parallel with the premium T:X range both benefit from the same high performance touring hull, which has been refined to deliver a fast, efficient, and effortless glide through the water.

To compliment this straight line speed, the double concaved hull provides exceptional levels of secondary stability – ensuring the Xplore gives you a comfortable and secure ride, regardless of the conditions.

With class leading amounts of storage space, and a generous seat well length (129cm), the Xplore is designed to transport you and plenty of your gear to your next adventure – whenever and wherever that may be.
